The screenshot shows a web interface for ad promotion. At the top, there's a navigation bar with a search bar containing 'Oman', a dropdown menu, and a 'honda pilot' search result. A '+ SELL' button is visible in the top right. Below the navigation bar, a green box contains a success message: 'Your Ad has been uploaded successfully! Your Ad will soon be reachable to millions of buyers'. Below this, a section titled 'Reach Millions of Buyers and Sell Faster and Upgrade your Ad to a top position' explains the 'FEATURED' tag. It lists two benefits: 'Get noticed with "FEATURED" tag in a top position' and 'Ad will be highlighted to top position'. A 'See example' button is provided. Below this, three options for featured ad duration are listed: 'Featured ad for 3 days' (OMR 8.99), 'Featured ad for 7 days' (OMR 14.99), and 'Featured ad for 14 days' (OMR 20.99). The '3 days' option is selected.
